I always imagined that Paradise will be a kind of library. – Jorge Luis Borges

The Invisible Student

"I don't cause teachers trouble
My grades have been okay.

I listen in my classes.

And I'm in school every day.

My teachers say I'm average.

My parents think so too.

I wish I didn't know that,

'Cause there's lots I'd like to do.

I'd like to build a rocket

I've a book that tells you how;

And start a stamp collection;

Well, no use trying now

'Cause since I found I'm average

I'm just smart enough to see

It means there's nothing special

That I should expect of me."

Library Closed This Afternoon – Due to the School Board's meeting this afternoon, the Alumni Hall Library will be closed from 1-4. Please check out needed materials before the meeting begins.

Correction – Last Friday, May 4, 2001, Darin Turner and Scotty Zwicker presented at a workshop at Gallaudet University on how to incorporate technology in the classroom. They were listed inadvertently as absent. Sorry for the error.

Thank You – Thank you so much for the caring hugs, cards, and flowers regarding my family's loss. It was so nice to see many ISD faces at the funeral home. Once again, thanks for being so supportive during our countless number of visits to Methodist Hospital and through our time of sorrow. - Donna and Dan Stutler

School Calendar – Please send your events with the dates and times that you want printed in next year's school calendar to Dan Stutler by Monday, May 21. He is also looking for good color photos to include in the calendar that will emphasis your students' successes in this school year.

Reporting Accidents on the Job - TO ALL EMPLOYEES: WHEN YOU HAVE AN ACCIDENT AT WORK, YOU MUST FILL OUT AN EMPLOYER'S REPORT OF INJURY/ILLNESS OF EMPLOYEE WITHIN 24 HRS. AND TURN IT INTO THE BUSINESS OFFICE IN BUILDING #6, ROOM G-15. AFTER THE FIRST INITIAL VISIT TO METHODIST OCCUPATIONAL HEALTH CENTERS, INC. (WHICH IS THE APPROVED PLACE OF MEDICAL CARE), THE INSURANCE COMPANY REQUIRES THAT YOU HAVE APPROVAL FROM THEM FOR ANY FURTHER TREATMENT. IF YOU DO NOT HAVE, THEY MAY NOT APPROVE THE SERVICES FOR PAYMENT. YOU WOULD HAVE TO PAY FOR THE SERVICES YOURSELF. The reason for putting this in the Daily Bulletin is because people keep telling me they do not know these things. – Andrew Metz

Sports Update

HS All-City Boys Meet - It was a beautiful, sunny day with a temperature of 70 degrees at the City Track and Field Meet yesterday. The results are:

ISD 37 points, 7th out of 12 teams. Most schools are 4A and 5A schools.		
Discus	Onye Davis	City Champion! (139' 8")
3200 Relay	Andy Barker, Andy Choate Kevin Webster, Enzo Hicks	3rd place (8:51.5) PR
100 Dash	Robert Haney	3rd place (11.2)
1600 Run	Andy Barker 8th place	(4:55.3) PR
400 Relay	Kevin Webster, Onye Davis Enzo Hicks, Robert Haney	6th place (45.3)
800 Run	Enzo Hicks	4th place (2:06.7) PR
3200 Run	Andy Barker	6th place (10:47.1) PR
1600 Relay	Enzo Hicks, Kevin Webster Andy Choate, Robert Haney	6th place (3:40.5)

Special Note: Enzo Hicks was the lead off leg and ran a 50.7 split. We got the lead. We just weren't able to hold it. I was very pleased how everything turned out last night, as we got several personal records. The 3200 Relay set a personal record for this year, with Enzo Hicks passing two runners at the end to get us a 3rd place. Enzo was awesome for us. Robert Haney passed several runners to get 6th place in the 400 Relay and got us points from the sprint races. Andy Barker was great, getting two personal best to get us points in the long distances. And finally and not the least was Onye Davis. He got 1st place becoming the City Champion. That is quite an accomplishment. - Coach Mike McGeath

HS All-City Girls Meet - Pia Marie Paulone placed fifth in discus with a toss of 96' 4" at the City Meet last night. We placed 11th out of 12 schools. Pia Marie, good job!

Athletics News

Architect Firm Working on the Playground Project – Context Land Planning from Fortville is working with the staff from Preschool, Raney, Willard and Elementary on a master plan for the design of the playground between Raney and Willard Halls. The owners of the company will meet with staff and parents on Wednesday, May 16 at 3:15 in the Multi-purpose Room to discuss our objectives for the playground. They will also survey the site during the visit. From this work the firm will develop a Site Master Plan and Preliminary Construction Cost Estimate for the entire playground plan. You're invited to attend the meeting to share your ideas.

EDUCATION STAFF (Teachers, Teachers' Aides, Supervising Teachers, Education Team Members) - Please meet in the auditorium at 1:30 p.m. on Friday, May 25. Topics will include Quarterly Lesson Plans, ISD ISTEP Results/Action Plan (1997 - 2001), and other traditional Education Department activities/announcements.

Technology News - We are thrilled to announce the completion of two major efforts: the transition of old network to the brand-new campus-wide fiber-optic-based ISDNet and the transition of old GroupWise 5.2 email system to the new GroupWise 5.5 email system. We are now expanding ISDNet by adding a new staff network and email accounts. We will start with those staff that will work through the summer, and eventually every staff on ISD will receive their own network and email accounts. By registration this fall, students in the 6th grade and higher will also be receiving their own network and email accounts. We thank you all for all your patience during the construction and time delays.

We will offer PC Loaner program again this summer. We will be able to loan out only 233 MHZ 32 MB RAM NEC computers. We will not be able to loan out printers. A sign-up sheet has been posted on our front door, or you can email or contact one of the Technology Center Staff to sign up for the loaner. We will announce pick up date but it will not be on or before school closing day. It will probably be one or two weeks after the school closing day. **YOU CAN NOT BRING ANY COMPUTERS OR OTHER TECHNOLOGY FROM YOUR CLASSROOMS OR DORMS HOME WITH YOU.** Only NECs from the Technology Center have been approved for the Staff PC Loan program. Thanks. -- Jay Krieger and the Technology Center Staff

SUBJECT: May 25, 2001 – Last Day of Work – End of the School Year

There will be an all staff meeting on Friday, May 25, 2001 from 8:30 a.m. to 11:30 a.m. in the ISD Auditorium. A catered lunch will be served from 11:30 a.m. to 1:00 p.m. in Brown Cafeteria sponsored by the ISD Administrative Team.

We will be recognizing staff members for their tenure at ISD and I will be sharing my closing remarks, including announcements.

Congratulations to every employee at ISD for making this a memorable year. Everyone has worked together to keep ISD at "WORLD CLASS" status and, without your efforts and commitment, this would not have been possible.

Best wishes to each of you for a restful and enjoyable summer vacation.

FYI – The 2001-2002 school year for staff begins on Wednesday, August 8th, 2001 with staff reporting to work at 8:00 a.m. and then reporting for a general meeting in the ISD Auditorium at 9:00 a.m. There will be three (3) days for staff prior to registration day, which will be Sunday, August 12th, 2001.

The Indiana State Fair will begin August 8th and end August 19th.

Safety Belt Check – Thanks for your participation in today's Safety Belt Check. The students who attended the Indiana Teen Institute last year want to encourage you to always Buckle Up.

Meeting for Education Staff – In Monday's (May 14, 2001) Daily Bulletin, there was notice of an Educational Staff Meeting to be held on Friday, May 25, from 1:30 to 2:30. We realize that teachers will be finalizing grade and IEP reports, cleaning their rooms and wrapping up the year. In an effort to provide teachers/staff with time to accomplish those things and still find time to meet with the entire Educational Department, the meeting has been rescheduled for Wednesday, May 23, 2001 from 3:15 - 4:15 p.m.

Welcome, Anika - Outreach is happy to welcome Anika Hill as the new Outreach secretary! Many of you already know her as the secretary for athletics. For the next two weeks she will divide her time with Outreach in the morning and athletics in the afternoon. Her Outreach office is Rm 129 in Alumni Hall, extension 311. **Welcome, Anika!**

Sports Update

Indiana HS Girls Track News: Yesterday was the end of 2001 HS Girls Track season when Pia Marie Paulone placed tenth in discus with a toss of 93' 5" in the sectionals. The highlight of the season was winning the CSSD Championship. We salute the only senior on our team - Valerie Sharer. We are still very young so we expect a good season next year. We want to thank you, HS ladies, for being on the track team this season. Have a great summer! - Beth Fields, Dawn Walker, and Dan Fitzpatrick

Visitors - Indiana University ASL class will be touring campus from 1:30-3:00. Please extend a huge ISD welcome to this group. Donna Stutler will assist them in their tour.

Phillip, Antoinette and Ruan du Plessis, from South Africa, will be visiting ISD from 1- 3 PM. Ruan is in the 8th grade and the family will be moving to Beech Grove, Indiana. Diane Hazel Jones will coordinate their visit.

Reporting Accidents on the Job - TO ALL EMPLOYEES: WHEN YOU HAVE AN ACCIDENT AT WORK, YOU MUST FILL OUT AN EMPLOYER'S REPORT OF INJURY/ILLNESS OF EMPLOYEE WITHIN 24 HRS. AND TURN IT INTO THE BUSINESS OFFICE IN BUILDING #6, ROOM G-15. AFTER THE FIRST INITIAL VISIT TO METHODIST OCCUPATIONAL HEALTH CENTERS, INC. (WHICH IS THE APPROVED PLACE OF MEDICAL CARE), THE INSURANCE COMPANY REQUIRES THAT YOU HAVE APPROVAL FROM THEM FOR ANY FURTHER TREATMENT. IF YOU DO NOT HAVE, THEY MAY NOT APPROVE THE SERVICES FOR PAYMENT. YOU WOULD HAVE TO PAY FOR THE SERVICES YOURSELF. The reason for putting this in the Daily Bulletin is because people keep telling me they do not know these things. - Andrew Metz

Playground Survey

Please help ISD and the school's Playground Committee determine how the Preschool/Elementary Playground between Raney and Willard Halls will be renovated. Context Design, a landscape architecture company, is helping ISD develop a master plan for the playground area. The plan will direct the purchase and installation of new playground equipment, pathways, lighting, and landscaping in the area. The goal is to make the area accessible to all of our children at ISD.

This is your opportunity to impact the design of the new playground. Please send your feedback to the following question to Dan Stutler at djstutler@isfd.state.in.us by May 30. He will share your suggestions with the architects, Fred and Craig. Thanks for your help!

1. What safety concerns do you have for the area?
2. What activities should occur there?
3. Would your group meet in the area if it was a nicer environment?
4. What new uses should be included in the area?
5. Should every piece of playground equipment be accessible to all students?
6. What kind of playground equipment would be inappropriate?
7. What kind of special events might occur in the area?
8. Is open space (lawn) important in the area?
9. Do you know of any outside funding sources that could help fund the new playground?
What are they?
10. How should the area be maintained after its completion?

Please add any ideas or concern that you may have. Thank you for your ideas and help with our playground renovation. (This survey will also be printed in the Indy Deaf News.)

HS Scuba Students Interview NASA Scuba Divers

Yesterday, several HS science students who are completing their scuba certification interview two scuba divers from the Kennedy Space Center in Florida through Distance Learning. Michael Camacho-Luna, Martin Dych, Anthony Mowl, Mike Muckenfuss, Pia Marie Paulone, Elsie Ritchie, Drew Robarge and Emily Schultz interviewed Larry Collins and Manny Deleong. Larry is the Dive supervisor and Medic for the team who recovers the rocket boosters (SRB) after each shuttle launch. Manny is a NASA engineer and is also on the SRB recovery team. Manny also works on the SRB after it is recovered. He and other engineers and technicians disassemble the boosters, inspect and clean each part and send them to the vendors so they can be rebuilt and reused.

Our students asked forty-five minutes of questions including:

Drew – How long does it take to hook up the booster to the harness? Response – It takes between four hours and several days depending on the weather.

Pia Marie – Are the SRBs ever too deep to retrieve? No, they float between 110 and 120 feet below the surface.

Anthony – When you are diving, what mix of air do you use in your scuba tanks? We use normal air but are experimenting with a nitrous mixture.

Michael – How large is the SRB? It is 152 feet long when it is on the space shuttle. It is 132 feet long when it hits the water at 65 mph. Some parts break off as it descends.

Martin – When the SRB separates, do you use it for the next flight of the shuttle? No, it is used about five launches later.

Mike – After launch, is the SRB too hot to retrieve? It is at least one hour before we get near it since we are usually one to five miles away from its splash down for safety reasons. The one hour gives it enough time to cool down although it is still very warm.

Elsie – How many ships are in the water retrieving the SRB? Only two. The Liberty Star retrieves the right booster and the Freedom Star retrieves the left SRB.

The students suggested that the divers should learn ASL since it would be easier to communicate under water. Larry said that the divers use underwater com's (walkie talkie like devices) to communicate with the surface. Larry also said that he trains cave divers and borrowed ASL signs to create a book on hand signals for cave diving. The divers and our students greatly enjoyed their interview.

Sports Update

HS Boys Sectional Track Meet at North Central High School It was cloudy and humid with a temperature of 70 degrees. Onye Davis placed fourth in the discus with a throw of 140' 10" earning a spot in the Regional Track Meet next week on Thursday. Only first through fourth can advance. Great job, Onye! Not many tracksters in ISD history have been able to advance to the Regionals. Enzo Hicks got a personal best of 51.7 getting tenth place in the 400 dash. He won his section easily. The next section was better seeded. If Enzo was in that section, I feel he would have placed higher and got a better time. At any rate, the MVP trackster had a great season! Andy Barker ran in the 3200 Run against a very tough field. In the first 1600 he was on pace to break the school record. However, Andy wore down in 5th and 6th lap and could not stay on pace. Andy was ISD's mainstay in the long distance. Robert Haney competed in the high jump and 100 dash. The 100 dash field is one of the best in the state. Robert ran well, but just got nipped out of getting into the finals. Robert cleared 6 feet in the high jump but just could not get over the next height. We had a great season, getting nine wins against seven losses. I will be posting season best this weekend. Come out to North Central next Thursday to support Onye Davis. The discus starts at five o'clock. - Coach Mike McGeath

Lost and Found - If you have lost anything over the school year and have not yet checked the Principal's secretary's office, Building 6, Room 117 (Pam Lewis), please do so soon. These items are removed from the lost and found during the summer.

Happy Birthday Card Shower- The Health Center is having a Happy Birthday card shower for Marcia Hardiman, nurse, to honor her birthday. Marcia has been on sick leave since late fall. She has worked in the Health Center for over 20 years and has many friends on the ISD campus. Please bring or send them to the Health Center by Wed. **May 23rd** and we will see that she gets them. Thanks for your help on this project.

Retirement Party for Jennifer Seet - Please join us in the celebration of Jennifer Seet's retirement. A party will be given in her honor on May 21st from 5:00-8:00. It will be held at the K of C, which is located at 2100 E. 71st Street. If you are interested in attending, please send a check/cash to Terri Motter or Donna Stutler. The price of \$20.00 includes a dinner buffet and an evening of fun. **The deadline is today so get your reservation now.**

A New Eagle Scout at ISD

Luke S. Pardee recently completed the requirements for the rank of Eagle Scout in the Boy Scouts of America. He was honored last night with an Eagle Court of Honor at the ISD Boy Scout Cabin. Scoutmaster Koss said, "I have known this young man since his early Scouting, and he has demonstrated many qualities, which the Scouting Program strives to develop. He is responsible and caring as he lives by the Scout Law by being: Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean and Reverent!"

Luke completed his Eagle requirements and landscaped the service area approaching the athletic field at ISD. He passed his Eagle Board of Review. A review of all available records since the chartering of Troop 76 in 1916 shows that Luke is only the second Deaf youth to start Scouting in the ISD Troop and advance through the ranks to become an Eagle Scout. Scoutmaster Koss also stated, "This 16 year old man did an exemplary job in setting goals for himself and incorporating the ideals of Scouting into his life along his trail to an Eagle."

Great job, Luke! WE ARE PROUD OF YOU!

ISD Student Wins 2001 Literacy Contest

The Phi Kappa Zeta Sorority at Gallaudet University proudly announces this year's winners of the 2001 Literacy Contest. Jon Ethan Mowl took First Place in the contest. The essays and poems were judged for originality, creativity, interesting ideals and joy in reading. Jon is searching for a copy of his essay so it can be printed in the *Daily Bulletin*. He will receive a cash award for winning the contest.

Other winners included: Brittany Branch (2nd Place) from the Maryland School for the Deaf and Leala Holcomb (3rd Place) from the California School for the Deaf, Fremont. Honorable mentions included Miera Kirschbaum from the Maryland School for the Deaf, Timmy Skaggs from Dominion Public Schools in Ohio and Laura Waterhouse from the California School for the Deaf. Congratulations to Jon and his teacher, Carol Keller, who encouraged him to enter the contest. Watch tomorrow's DB for the essay.

Gallaudet University Professional Development Workshops

COLD FUSION, June 11-12 * \$295 More companies, and schools require that data be available on the web for browsing, updating, and modification. On-line registration packages, e-commerce, and data warehouses, are three example of this. Familiarity with HTML, a web creation package such as Microsoft Frontpage, and Microsoft Access is required.

MULTIMEDIA AND WEB APPLICATIONS, June 18-19 * \$295 This workshop will provide an overview of the various multimedia tools, technologies, and technical details you need to get started. Case studies of successful multimedia projects will be done. This course requires users to be familiar with a web creation package (Frontpage and Dreamweaver), as well as Photoshop.

MICROSOFT POWERPOINT 2000 June 20-21 * \$295 Say goodbye to overheard projectors and transparencies! You will learn how to produce attractive and informative slide shows using PowerPoint 2000 with specific skills such as building a slide presentation, using Slide Templates and Auto Layouts, Outline View to create a Slide Show and enhancing a presentation by adding graphics, tables and animations.

ASL ACTIVITIES FOR ASL TEACHERS June 22-23 * \$195 This two-day workshop is designed to provide American Sign Language (ASL) teachers an opportunity to develop, create, share activities for classroom curriculum. Brainstorming and discussion sessions with experienced teachers will be included. Also, you will learn how to use the grade system for testing, homework, activities, laboratory, attendance, and how to print the grading system on the syllabus. Recommended to take the workshop on Creating Appropriate Tests for ASL Courses.

CREATING APPROPRIATE TESTS FOR ASL COURSES June 24 * \$195 Are your tests accurately measuring outcomes and fully evaluating your students' strengths and weaknesses? This workshop will focus on developing receptive and expressive tests for ASL classes. Participants will learn to identify good and bad tests for appropriate settings. Hands-on activities will be provided.

We also offer workshops : Advanced Microsoft Excel on July 10-11 - \$295
Building Web Sites with Ms FrontPage on July 12- \$225
Designing Effective Web Sites on July 13 - \$225

It is hard to fail, but it worse never to have tried to succeed. – Theodore Roosevelt

"The Perfect World"

by Jon Mowl

Earth, how do we communicate with hearing people at restaurant, or anywhere? Usually we use a pencil and a paper. I have invented new ways how to make Earth better for deaf people and hearing people.

ASL translator. I take a mini T.V. out, then I sign to the T.V., the T.V. will translate by talking English. Then the person will talk back and the T.V. will translate it to ASL. If I happen to talk with a foreign person, for example, a Japanese person, I sign in ASL and it can translate into Japanese language or Japanese sign language if the person is a deaf Japanese. If it is raining, no need to worry because it's waterproof. If I accidentally drop it, and the interior T.V. broke, it will repair itself without any charge.
=)

Complete Brain Control. It's abbreviated to CBC. The CBC is just made of wires and a suction cup. When I come up to a hearing person, and the person starts to talk to me, I would release the CBC, kept in the hand, then it would get stuck on the head. My brain automatically teaches the person how to sign in 2 seconds. Then he would not know that I had complete brain control over him. I could come up to him and un-do him, then he would be back to normal.

Sometimes I really want to see a very new movie that is in theaters, but most of the time I have to wait 6 months until it starts to be in BLOCKBUSTER. I would make a law to require ALL of the theaters to have closed-caption or open caption. Not a screen that you would get on your seat, it would be on the screen. If the movie decides not to give close-caption, we would sue the movie and it has to be over \$100 million dollars to pay is for forgiving them.

One of my dreams is to be a military hero. But many people say, "You can't."

"Can't what? Can't survive? Can't put up with the drill sergeant?"

"No. You can't hear."

"So what?"

"You can only work for the army in the office."

"EWWW! Office work!"

I want to be in the army, or the air force, or the navy, or anything I want to be. I want the army to let us, the deaf people, to join. We would have mini-computer, like glasses, that we use all the time. When an enemy makes noise, it would tell the direction of where the noise is. If the commander says go somewhere, he would appear on the screen and tell me where to go. The army says we can't hear the gunshots. But in the future, when the technology is advancing, we would be using silencers. What's the point of needing only hearing people to hear silencers?

I have invented a new pill. If a good hearing person can't learn very well, but want to know what it's like to be a deaf person. He could buy over-the-counter medicine, "Deaf Pill." There are 5 kinds of pills. A pill makes you deaf for one DAY. Another pill lasts for one WEEK. Other one last one MONTH. Another one lasts one YEAR. Last one lasts FOREVER. If a hearing person wants to be back to normal, he would have to pay \$700 thousand dollars to be back to normal.

Those are my ways of making a perfect world for both the cultures.

THUNDEROUS AND FLYING HANDS to Chris Fetzer for his excellent work in setting up the Elementary Spring Jam Basketball Clinic!!!! This clinic has been going on each Tuesday and Thursday for the past 6 weeks and 30 kids participated. Yesterday, the athletes were treated to a pizza party along with certificates, medals

and t-shirt awards. Many thanks to the staff, Ken Kramer, Wayne Bankston, Brian Bippus, Aimee Bippus, David Catt, Mike Morris, Hillel Goldberg, Rusty Crace, Bob Kovatch, and Suzanne Bono, for helping to make this successful!!

31 Golfers at ISD Golf Outing! - Last Saturday, 31 golfers, ranging from ISD Board member, teachers, staff, students, parents, alumni, husbands, wives, in-laws, and so on turned up at challenging Sarah Shank Golf Course. The morning weather was a bit cloudy but later on in the afternoon, it was quite humid but the course was good. The format was "Banker Handicap System" where it (at least) guaranteed fair play for every golfer. Cash prizes and/or gifts were awarded to the following:

First Place: Rick Robertson
Second Place: Greg Gantt
Third Place: Rusty Crace
Lucky Number (6th place): Matt Shafer
Booby Prize (31st place): Suzanne Bono
Low Gross, Men & Ladies: Rick Robertson & Amy Fenicle
Highest Gross, Men & Ladies: John Fenicle & Jackie McBroom
Longest Drive, Men & Ladies: Rick Robertson & Amy Fenicle
Closest to Pin, Men & Ladies: David Catt & Cindy Pickering
Lowest Putts, Men & Ladies: Jess Blackwell and Matt Shafer (tie) & Suzanne Bono

Thanks to Greg Gantt and Sprint for donating the gifts. Looking forward to see more golfers next fall. So watch out for details to be announced early in the fall! - Malcolm Peters

PTCO DAY 50TH ANNIVERSARY A HUGE SUCCESS

This year's 50th Anniversary PTCO Day on May 6th was a big hit. Many thanks to Barb Gantt and her committee for doing such a wonderful job organizing the event. A special thanks to Mike Reis who volunteered many hours of his time to collect and compile the PTCO History Exhibit. His hard work on this project was greatly appreciated by all. Over 1000 people attended. There were community booths, children's games, horseback rides, old timers games, a raffle for cash prizes, and great food. Miss Deaf Indiana and Miss Deaf America were also there to participate in the celebration. Former PTCO Board Members who volunteered their time to PTCO while their own children attended ISD were there too and were given special recognition for there service.

EDUCATION STAFF MEETING CLOSES 2000-01 SCHOOL AND PREVIEWS 2001-02

(Principal's Report) The entire Education Staff gathered in the auditorium on Wednesday, May 23, 2001 to wrap up the school year and get an idea what was ahead for next fall. Topics included a new format for quarterly lesson plans, ISTEP results, the school calendar, the number of contract days, and a brief agenda of the first week when staff report. In addition, the traditional "end-of-the-year door prizes drawing" was held with retiring teacher, Jess Blackwell, doing the drawing honors.

Later that same evening, I had the opportunity to talk to a first-year ISD teacher. This is what the teacher told me: "I want to thank you and the staff who were responsible for the quarterly lesson plans template and examples. I really felt inspired during the meeting. I have visited many, many (the teacher named some of the highly regarded schools) Schools for the Deaf and talked to their staff members about curriculum, quarterly/weekly lessons plans, textbooks, administrative leadership, and staff collegiality. This afternoon ISD proved that it is 'on top.' The quarterly lesson plan idea just makes good sense. It will save me so much time, eliminate so many different papers, and influence me to be more organized. As I saw the plan being explained through the power point presentation, I felt proud to work at ISD!"

I would like to thank, once again the people responsible for this process: Glenda Zmijewski and Teri Paulone for template development, staff organization/in-service, and handout formation; teachers - Jerry Backus, Rusty Crace, U. Sung Chung, Dan Fitzpatrick, Teresa Huckleberry, Mike Jackson, Carol Keller, Mary Kovatch, Carrie Martin, and Toni Wolfe for developing examples in a very short period of "Month of May Crunch Time"; Cindy Squire for copying and collating the examples (the copies were still warm from the machine when teachers picked them up!); and Gary Mowl for developing the Powerpoint presentation for the entire meeting. What a testimony of dedication and teamwork (End of The Year Fireballs to All of You).

In addition, we scanned the results of the ISTEP Tests for this school year along with summaries since 1997. Several times I mentioned that we had consistently improved every year since ISTEP, but that we were not yet satisfied and would continue to strive to improve. I want to thank the entire staff for their efforts in providing the services to the students, which enable them to demonstrate this kind of improvement not only on the ISTEP, but, also on the SAT-HI. As you are aware, the attention is on all schools to provide the data to parents, their School Boards, and their general school community that they have a plan to continue to improve their services and student outcomes. ISD is in that same model right now. I have every confidence that we can accomplish the tasks ahead of us.

Best wishes for a restful and productive summer. – Bob Kovatch

Sports Update

Regional Boys Track Meet (4/24/01) at North Central High School - It was a cool, rainy and wet 60 degree day. I want to congratulate Onye Davis for a fine season. Last night, Onye Davis competed in the Discus at North Central High School. Onye was able to advance in the finals, then the meet was held up due to lightning and heavy rain. All of us stayed in the van for almost an hour and half. It finally cleared up, and when we got out of the van, we saw a very beautiful rainbow. Onye competed at a new level, and the experience was very valuable since he is only a sophomore. He placed ninth. Onye owns the CSSD record and the school record. He will definitely be a force next year as other coaches from other schools are now noticing him. Way to go Onye, and see you next year.

Reporting Accidents on the Job - TO ALL EMPLOYEES: WHEN YOU HAVE AN ACCIDENT AT WORK, YOU MUST FILL OUT AN EMPLOYER'S REPORT OF INJURY/ILLNESS OF EMPLOYEE WITHIN 24 HRS. AND TURN IT INTO THE BUSINESS OFFICE IN BUILDING #6, ROOM G-15. AFTER THE FIRST INITIAL VISIT TO METHODIST OCCUPATIONAL HEALTH CENTERS, INC. (WHICH IS THE APPROVED PLACE OF MEDICAL CARE), THE INSURANCE COMPANY REQUIRES THAT YOU HAVE APPROVAL FROM THEM FOR ANY FURTHER TREATMENT. IF YOU DO NOT HAVE, THEY MAY NOT APPROVE THE SERVICES FOR PAYMENT. YOU WOULD HAVE TO PAY FOR THE SERVICES YOURSELF. The reason for putting this in the Daily Bulletin is because people keep telling me they do not know these things. - Andrew Metz
